

REMARKS

Favorable consideration and entry of the above amendment is respectfully requested. Claims 1-9, 11-23 and 25 were allowed on February 7, 2007, claims 16 and 17 have been amended.

The applicant noted that claim 16 was indefinite for referring to "said circuit board", instead of "said board" of claim 15, and has made that correction. In addition, claim 17, a switch claim, incorrectly depended from claim 14, instead of independent claim 15, which has been corrected. The reference to "said circuit board" has also been changed to "said board" for clarity.

Both amendments are made to correct formal matters, and do not alter the scope of the claims or require further search or examination, and entry is respectfully requested. However should the examiner believe that direct contact with the applicant's attorney would advance the prosecution of the application, the examiner is invited to telephone the undersigned at the number given below. Note that revocation and new power forms were submitted on January 22, 2007 in this matter.

Respectfully submitted,
